

New York / Eastern Canada Members,

My name is Stephen Hrytzik. I'm a proud member of Session 221 and a candidate for Section IV Representative in Cleveland 2022. I'm a law enforcement veteran of 30-plus years with extensive leadership and board experience. I had the honor over the past three years to meet many of our section IV members, but as we get closer to the conference and the election, I thought I would take a moment to talk about my goals and what I have done to prepare to serve our members.

Before I announced my campaign in the fall of 2019, I made it a point to have a good understanding of the National Board's responsibilities, mission, values and to identify what our members want in a leader. Through my journey, I have made lifelong friends who have helped shape my goals as your Section IV Representative. I have spent time with past National presidents and members who are active in our association. Below is a list of these goals, as well as my experience and the chapter endorsements I have received.

Goals as Section IV Representative:

- Stay connected to Section IV members
- Continue to attend chapter events throughout Section IV
- Advocate for Chapter ideas and concerns
- Look for ways to improve membership experience
- Communicate National's message

State and National Activity:

- Past President Ohio FBINAA Chapter
- Served on the Ohio Executive Board for eight years
- Vice Chair Cleveland 2022 FBINAA Conference
- Current member of the National Membership Committee
- Current member of the National YLP Committee
- Current member of the National Training Committee

Endorsed by the following Section IV Chapters:

- Ohio
- Western PA
- Eastern PA
- West Virginia
- New Jersey

Thank you for your time and the opportunity to serve you.
